Experience

Back End Developer - Intl Business & Back Office Application

PT Bank Central Asia Tbk (BCA)

Feb 2023 - Jul 2023 (6 months)

Internship

Student Assistant

Universitas Tarumanagara

Aug 2022 - Jan 2023 (6 months)

Community Driver

Biswap DEX

Oct 2021 - Present (2 years 6 months)

Community Driver will be responsible for the management of Biswap's social media presence in the International Telegram chat or the Squid NFT World chat. These individuals will have to build and retain a community of followers, increase engagement and handle support questions.

Key Performance Area:

1. Chat development, invitation of new users, organic growth of community members, and indicators of activity
2. Active participation in the chat communication
3. Reports and feedback sharing
4. Staying up-to-date with all the ongoing events & updates
5. Making all the community members aware of all the updates on the platform
6. Educating community members on specifics of Biswap
7. Respond to customers in a timely manner
8. Timely transfer of all the technical issues users face to the technical support agents
